TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Hollis in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Lower Town Hall in said Hollis on Tuesday, the eighth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To hear the reports of the Selectmen and other Town Officers and Committees.

4. To see if the Town will vote to authorize the Treasurer under order of the Selectmen to borrow money in anticipation of taxes.

5. To see if the Town will vote to accept State Aid for the construction of Class V Roads and appropriate the sum of $866.41.

6. To see if the Town will vote to authorize the Selectmen to distribute blank inventories at the time of appraisal.

7. To see if the Town will vote to allow 2% discount on taxes paid before August 1st, 1949 and assess fines of twenty cents on all poll taxes not paid by September 1st, 1949.

8. To see if the Town will vote to raise the sum of $18,000 for the purpose of building a new Fire Station or act anything in relation thereto.

9. To see if the Town will vote to authorize the Selectmen to borrow up to the sum of $15,000.00 for said Fire Station, to be paid back at the rate of $3,000.00 per year plus interest, or act anything in relation thereto.

10. To see if the Town will vote to grant permission for the land on the southerly side of the Town Hall to be used for the site of a new Fire Station, or act anything in relation thereto.

11. To see if the Town will vote to appoint a Committee to act on preparing a Town History or forming a Town Historical Society for the preservation of old records, or act anything in relation thereto.

12. To see if the Town will vote to accept a Committee consisting of one representative from each organization in Town for the purpose of making annual plantings of shade trees around our center and along our highways or act anything in relation thereto.

13. To see if the Town will vote to appoint a Committee to revise the Zoning laws and report at the next annual meeting.

14. To see if the Town will permit the Fire Dept. Engineers to loan the Hand Engine for exhibition purposes, or act anything in relation thereto.

15. To see if the Town will vote to permit the Fire Dept. Engineers to use the balance of the Capital Reserve Fund, with interest, for new fire equipment, for the purpose of installing a new front end pump and additional water tanks on the Dodge Truck.

16. To see if the Town will vote to permit the Fire Dept. Engineers to sell one or more trucks and keep the money received in the Fund for new fire equipment, or act anything in relation thereto.

17. To see if the Town will vote to discontinue the cross road leading from Mrs. Elizabeth Carter's by the farm formerly owned by Mrs. Ida Erskine, or act anything in relation thereto.

18. To see if the Town will vote to sell the land formerly owned by Frank & Elsie Stockbridge to Bancroft Spaulding, or act anything in relation thereto.

19. To see if the Town will vote to withdraw the Grader Fund from the Capital Reserve, for the purpose of purchasing a new Grader, or act anything in relation thereto.

20. To see if the Town will vote to extend street lights to Silver Lake, or act anything in relation thereto.

21. To see if the Town will vote to install storm doors at the Town Hall entrance, or act anything in relation thereto.

22. To see if the Town will vote to observe, during the month of August, 1949, the 50th Anniversary of Old Home Week, and raise and appropriate a sum of money therefor.

23. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 16th day of February, in the year of our Lord nineteen hundred and forty-nine.

REPORT OF FIRE CHIEF

I am pleased to report that we had a total of only 15 fires this year compared with 32 in 1947 with a total loss of minor value compared to previous years. Some of these fires could have been much more serious but for their prompt discovery and the immediate response given to the alarm.

The number of forest and grass fires was 5 which is the same as last year but with only 5 acres burned over compared with 22 the year before.

A total of 237 fire permits were given which is much more than ever before.

The department appreciates the cooperation given it by citizens responding to general alarms and to the care taken to prevent fires especially during the serious dry period last Fall.

Fire permits must be obtained for all outdoor fires. Even with the snow on the ground it saves our time in checking smoke reports which are always being reported by fire conscious persons whose alertness we appreciate.

As 90% of all fires are due to carelessness and are preventable may I urge everyone to continue their caution against fire during the coming year in order to continue our good record of low fire loss.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Hollis, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Lower Town Hall in said district on the 7th day of March 1949, at 8 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see how much money the district will raise and appropriate for special repairs, alterations, insurance and new equipment.

10. To see if the district will vote to raise and appropriate the sum of $3,000.00, to be paid into the Capital Reserve Fund for the purpose of new school building or the remodeling of the present building.

11. To see if the district will vote to raise and appropriate the sum of $600.00, the proportionate share of the expense to make a professional survey and preliminary plans for a Cooperative School. In case the Cooperative School effort is found to be not feasible, the money may be spent by the School Board for the study of an alternate school expansion plan.

12. To see if the district will vote to raise and appropriate the sum of $600.00, to be used for professional service in drawing up an expansion plan.

13. To transact any other business which may legally come before said meeting.

Given under our hands at said Hollis, N. H. this 10th day of February 1949.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Hollis:

I herewith present my tenth annual report, the thirtieth in the series. It not only consists of the statements immediately following, but many of the others, statistical and financial, which are combined in this School Report. I commend them to you as worthy of your careful reading and study.

1. SCHOOL CALENDAR

I desire to call attention to the school calendar printed elsewhere. Under a ruling of the State Board of Education, schools must be in session a full thirty-six weeks or 180 school days. Institute Days and Teachers' Convention are counted toward the 180 and up to five more days may be counted for approved workshop for teachers. All other days lost must be made up. Without workshop time counted, the normal school year must be 177 days of teaching.

During the course of a year, I hear many remarks about the early opening in September, too short a vacation at Christmas, the late closing in June, going to school on this rainy day and no holiday for Columbus Day. I am certain many of these questions would be answered if you took a calendar and, starting with Labor Day, marked off the school days possible to June 15th. This, considering the first paragraph above, allows but few days before the end of June to make up days lost.

2. TEACHERS

A. From the list of teachers printed in this report, please note the small number of changes that have taken place this year. We have two new members on this year's staff and one of these is for a new position.

Miss Dorothy Tuttle of Keene Teachers College came to the new position in Grade One. As you can see from a glance at the figures, she has a large first grade.

Mrs. Elizabeth Hills resigned from the Home Economics position to remain at home. Miss Everdean Vancore of Colebrook, with two years' teaching experience, was selected to succeed Mrs. Hills.

So the teaching staff changes and the need for more teachers becomes greater.

B. Need I call your attention to the shortage of teachers, especially in the Elementary field? The situation grows worse with each added year and now is so acute that only about one-tenth of qualified candidates are available for grade-school positions. The remaining nine-tenths must come from the ranks of lesser qualified, from former teachers returning to help during the emergency, from re-training high school teachers, from closings and consolidations of schools and even from willing volunteer workers with little or no training beyond high school. This school department needs to know prospective candidates now, if all services are to be continued next year. You are asking for more and better schools. We would like to give them to you but the personnel is not now available. Will you help?

For long-term planning, there should be one candidate going to a teacher training institution for every 120 pupils in your school system. These should be in the ration of three candidates for elementary work to every one for secondary work.

C. Closely akin to the above is the subject of salaries. Some of our citizens point to the increase in salaries over the past few years as equal to and greater than the cost-of-living increase. Others say teachers are not paid enough and their working conditions are poor, that they receive poor salaries and suffer unjust demands on the part of the public that they have to be different from workers in other employment and have to have more training. To me, both groups are honest in their thinking and are correct in part; however, that doesn't produce teachers when we need them. What should we pay? What can we afford?

The teaching profession has said that the minimum salary for a fully-qualified teacher should be at least $2,400 per year. The maximum should be approximately twice that sum. Not a budget in this Union meets this minimum or the maximum.

3. IMPROVEMENTS

a. As mentioned above, a new first grade room necessitated several changes in room arrangements in the building. The Home Economics Room was moved from the first floor to the second floor laboratory. The latter room was converted by redecorating and refinishing into quarters for Home Economics. The vacated room on the first floor became the first grade room with new movable furniture and very little additional change. Then the Laboratory furniture was installed in the room on the second floor of the Annex

and an office space provided in the upper hallway. All these changes were effected without change of partitions and makes for some greater efficiency in that all high school activities are now on the upper floor and the office is in the midst of all.

Another improvement has been the installation of a return pump on the boiler. This pump draws the water condensing from the steam back to the boiler faster and thus allows the steam to circulate at a greater distance from the boiler and heat is more evenly distributed. Water no longer remains lodged in the return lines.

For some time, a portion of the available money has been used for redecorating. I hope this practice may continue and keep the building attractive in appearance.

4. APPRECIATIONS

I am very grateful to the serious and honest thought the School Board has given to school problems. They have spent much extra time this year—what with added problems of extra enrollment, teacher shortage, new building plans, and the consolidated school district study.

I am very appreciative of the efforts of every teacher to improve the work of his pupils. The cooperation this year has been splendid, morale—good. I would include Mr. Wiebel in this section. We do appreciate all he has done to keep Hollis Central School warm and clean. We regret that ill health forces his retirement.

I would not forget the parents and pupils. This has been a busy and profitable year. Your interest has been keen and helpful.

Very sincerely,

HAROLD C. BOWLEY
Superintendent of Schools

REPORT OF THE HEADMASTER

Mr. Harold C. Bowley, Superintendent February 4, 1949

Milford, N. H.

I herewith submit my second report as Headmaster of Hollis High School.

Hollis High School opened its 1948-49 school year September 8, 1948 with a total of 47 students. At the present time there are 46 students in school; 13 Freshmen, 17 Sophomores, 10 Juniors, 6 Seniors. In the Junior High there are 23 in the 7th grade and 13 in the 8th grade.

Subjects offered this year are as follows:

Algebra	26	English 11 & 12	16
Geometry	5	Tex. and Cloth.	13
French I	8	Home Ec. VII & VIII	12
Latin II	6	Geography VII & VIII	36
Junior Business	28	Arithmetic VII	23
Civics	15	Arithmetic VIII	13
Sociology	9	The Family	5
U. S. History	16	History VII	23
Chemistry	13	History VIII	13
English 9 & 10	29	English VII	23
English VIII	13		

The above subjects are supplemented by correspondence courses. At the present time three students are taking advantage of correspondence courses, two taking typing and one radio.

Time allotted to the High School subjects is four 50-minute periods a week for all except the following. Chemistry is allotted five 60 minute periods a week; Textiles and Clothing, eight 50 minute periods;The Family, seven 50 minute periods; Home Economics VII & VIII, three 50 minute periods. A fifteen minute period has been set aside each morning for class meetings, club meetings, athletic meetings, dance committee meetings, practice for plays and music in the High School. In the Junior High this period is used as a radio period during which the pupils listen to radio programs in Music Appreciation, History, Science and English.

The School Lunch Program started October 1st. Approximately 145 persons are provided with hot meals each noon. Four new tables and benches were built to provide for better seating capacity and cleanliness for the elementary grades. The High School dining room has been rearranged and it is planned to make benches and tables for this room to compare with the ones in the elementary room. Miss Vancore has charge of the menus, sanitation, and buying, Mrs. Parkhurst has charge of the kitchen, and the Headmaster is the treasurer and general supervisor. At the present time Mrs. Hills is helping Mrs. Parkhurst in the kitchen, previous helpers being Mrs. Stickney and Mrs. Eddy. The Noon Lunch Program is expected to continue until the students are able to eat their lunches outside.

School Activities are under the direction of the Hollis High School A. C. E. Association. First to list the activities that were carried on during the latter part of last year. During the February vacation (1948) the boys basketball team was chosen to participate in the Class C Basketball Tournament which was held at Dartmouth College. Although eliminated in the first round of play, the team remained until the end of the tournament enjoying a taste of college life. The State Music Festival was attended by Elsie Lievens, Dorothy Buckley, Robert Nartoff and Richard Coughlin. In June, the High School presented the operetta "Bobby," under the direction of Miss Ethelyn Edwards. Next came the Junior Prom., and last on the program was the graduation of the Seniors and the Senior Reception, all under the direction of Miss Rideout.

The Seniors who graduated in June 1948 were, Anna Adams, Dorothy Buckley, Olive Glover, Elsie Lievens, Martha Muzzey, Richard Coughlin, Robert Nartoff, Donald Reed, Carroll Spaulding, Robert Walker, and Elliott Wilshire. Of the 11 graduates three are attending college, three training for the nursing profession, three entered the armed forces and two are working.

This year our activities began with the Senior Play, "Doctor's Orders". Again the Senior play was coached by Miss Rideout and was a definite success. On December 3, 1948 the Freshmen put on a Fashion Show under the direction of Miss Vancore, and on December 8, the High School girls presented a Christmas Pageant, "The Child of Peace," to the Women's Club. This Pageant was also under the direction of Miss Rideout.

Congratulations are due Miss Vancore and the Girls Basketball Team for their successful season, having won nine, tied two, and lost only three. The boys, while not so successful will be ready to assert themselves on the court next year. In addition to the two High School teams, the basketball program was extended this year to include the 5th, 6th, 7th and 8th grades, with the boys practicing two afternoons a week and playing short games before the Town Team games at night.

Activities for the remainder of the school year will be a play by the Dramatic Club, a musical program by the Glee Club, Baseball, Softball, Junior Prom., Graduation of the Seniors, and the Senior Reception.

Attendance: Those having perfect attendance for the school year 1947-48 are as follows:

Elementary: Marilyn Glover, Claire Jambard, Janice Lund, Richard Paradise, Eleanor Brown, Evelyn Brown, Robert Cudworth, Gertrude Gagnon, Naida Glover, Harland Muzzey, Conrad Paradise.

Junior High: Robert Glover, Lorraine Jambard, William Lawrence, Janice Marvell, Marion Muzzey, Frances Wright.

High School: Rita Lavoie, Constance Smith, Martin Budlong, Vera Dudley, Alan Orde, Elsie Lievens.

Those having perfect attendance for the present school year up to February first are as follows:

Elementary: Mary Lavoie, Vivian Gagnon, Nancy Sedlewicz, Donald Palmer, Gerald Glover, Dean Palmer, Paul Sedlewicz, Marilyn Glover, Peter Sedlewicz, Elsa Weibel.

Junior High: Evelyn Brown, Richard Coleman, Robert Cudworth, Kenneth Donnelly, Naida Glover, David Wright, William Lawrence, Dorothy Monroe.

High School: Martha Bell, Donald Brown, Martin Budlong, Annette Colborn, Jannette Colborn, Betty Cudworth, Margaret Glover, Virginia Lund, Janice Marvell, Marion Muzzey, Alan Orde, Constance Smith, Shirley Smith, Bernice Stefanowicz, Frances Wright.

The students of Hollis Center School seem to be unusually consistent in keeping a high attendance record. Time lost from school is doubly hard to make up, and I am sure that those who are in regular attendance have benefitted by their efforts. Parents and students alike are to be commended for their efforts in maintaining the above records.

Donations to charitable causes by the Hollis Center School this year have amounted to approximately eighty-four dollars ($84): $62.95 for "The Children's Crusade" and $22.00 for the "March of Dimes."

Two pianos were given to the school this year. Mrs. Ruth Wheeler gave the piano in the first grade and the fund remaining from the Hollis Bicentennial Celebration purchased the one for the High School. Hollis Center School is indeed grateful for the needed additions to the school classrooms.

In closing my report, I again wish to express appreciation of the cooperative spirit of the teaching staff, the aid of the parents in transporting our athletic teams, and both my appreciation and that of the teachers for the fine support given to school functions by the community.

ANNUAL REPORT OF HEALTH SUPERVISION AND MEDICAL INSPECTION OF SCHOOL PUPILS

February 2, 1949

To the Superintendent, School Board members and citizens of Hollis:

Following is a report of the medical inspection, findings, and corrections made for Hollis school children:

Number of pupils examined: 239.

	Defects	Corrections
Number of pupils with dental defects	82	68
Number of pupils with tonsil defects	12	8
Number of pupils with visual defects	14	11
Number of pupils with orthopedic defects	2	
Number of pupils with heart murmur	3	

On the physical examination in the fall it was most gratifying to see the good nutritional and physical condition of the pupils and the many corrections that were made.

At the summer round-up in June, many parents took advantage of having their children about to enter school in the fall physically examined, immunized, and vaccinated. It also gave them a chance to have any defects corrected during the summer.

The excellent noon meal served at school is an asset to the children's health.

The fine cooperation of teachers and parents is a factor in promoting the health program and is sincerely appreciated.

Respectfully submitted,

HEALTH OFFICERS FOR TOWN OF HOLLIS 1948

Another good year for Hollis from a Health standpoint, with only four cases of Scarlet Fever reported and a few cases of Chicken Pox and measles.

Several samples of water were taken in various parts of the Town and all supplies from which samples were taken were found to be satisfactory.

The water in Silver Lake was tested at various intervals throughout the summer by the State Board of Health and the results were found to be very satisfactory.

Lets make every effort in 1949 to keep our roadsides free of garbage, rubbish, and papers, by disposing of this refuse in a proper manner. We have a garbage collection service for those in or near the center as well as for our summer residence. Please use it. Be sure you supply a garbage can with a tight cover and carry it to the roadside by your home for collection on Wednesdays and Saturdays.

We also maintain a Public Dump for your rubbish which we invite you to make use of legitimately.

Help us keep our Town clean and healthy. Notify your health officer immediately of any communicable disease or of any unsanitary conditions in your neighborhood.

Healthfully yours,
E. R. SIMONDS
Health Officer

CLINIC AND CONFERENCE REPORT

A large preschool and Infant examination clinic was held at the Town Hall on the afternoon of May 27, 1948 with Dr. Charles Porter and Dr. Edward Moran as the examining physicians.

There were fifty children examined and a supervisory call made on each child needing corrective attention by the local State Nurse.

Thirty two children received a booster dose of diptheria toxoid and six children were vaccinated against small pox.

H. House, R. N., B. Muzzy, R. N., and M. Fahey, R. N. assisted the doctors, while Mrs. Rita Bell, chairman, and a committee of Mrs. Carol Wright, Mrs. Elizabeth Parker, Mrs. Kathryn Stratton, Mrs. Dorothy Dow, Mrs. Katherine Saunders and Mrs. Evelyn Rice made out histories, assisted with transportation, weighed the children and contributed in other ways to making the clinic a success.

REPORT OF THE PLANNING AND DEVELOPMENT BOARD FOR 1948

Another year is past and your Planning & Development Board has continued its study of many projects and has held monthly meetings throughout the year. We have tried to set up an overall plan of the Town's requirements over a period of 15 or 20 years, so that our taxes will not increase extensively in any one year, neither will all our money be spent on any one project or in one direction.

First let us look at what has been accomplished this year with the installation of showers and new toilets as well as a new heating system in our Town Hall. A much needed improvement and a splendid job done by the Special Committee in charge.

We have purchased a set of Aerial Photographic maps of the Town which we feel will be most beneficial to the Town for future use.

There are many more improvements which could be made to our Town Hall but we feel that with the urgent needs of other departments in the Town that only the most urgent projects should be considered at present.

If you remember last year we mentioned the Schools and Fire Station as the two most urgent improvements to receive first consideration. The Schools are still under study by a special committee as you will note through your School reports.

We have completed a study and plans, including costs of a new Fire Station. These plans will be presented for your approval at this year's Town Meeting, and have already been discussed at open meetings and have been approved by the Fire Department.

Although a great many of our plans call for the expenditure of large sums of money we try to make a thorough study of each plan selecting the most economical plan so that you will get the most for your dollar spent over a period of years.

Plans are being considered whereby plantings of trees may be made annually around our center and on our roadsides at no cost to the Town directly.

We also have under present consideration the possible means of compiling information and events in making up a later edition of our Town history or perhaps the forming of a Town Historical Society. Any information or suggestions will be gratefully received by any of the Planning Board. You are also cordially invited to attend any of our meetings. Come and bring your plans for the future of our town. Remember it is not only our Town it is Your Town.

REPORT OF
TOWN HALL BUILDING COMMITTEE

It was voted at the 1948 Town Meeting to install a new heating system, toilet facilities and showers in the basement of the Town Hall.

The Selectmen were to appoint four to serve with them as a Building Committee. Harold Hardy, Elsie Towne, Carol Wright and Stanley Smith were appointed to serve on this committee.

The cost not to exceed $16,000.000.

Eugene Weisberg, an Architect from Lowell, Mass., was engaged to draw plans.

Six contractors were given an opportunity to bid on this work. Namely: William E. Lund, Hollis; Wheeler Bros., Milford; Nashua Building Contractors, Nashua; Elgin Burtt, Milford; Sprague Bros., Nashua, and Pepperell Plumbing and Heating Supply, Pepperell, Mass.

Pepperell Plumbing and Heating Supply submitted the lowest bid and was given the contract for the sum of $14,750.00.

ZONING ORDINANCE
TOWN OF HOLLIS, NEW HAMPSHIRE

An ordinance to promote the health, safety, morals, convenience and general welfare of the community by regulating and restricting the use and construction of buildings and premises in the Town of Hollis.

Preamble: In pursuance of authority conferred by Chapter 92 of the 1925 Laws of New Hampshire and by Chapter 55 of the 1935 Laws of New Hampshire and for the purpose of promoting the health, safety, morals, prosperity, convenience of general welfare, as well as efficiency and economy in the process of development, of the inhabitants of the incorporated Town of Hollis, New Hampshire, by securing safety from fire, panic and other dangers, providing adequate areas between buildings and various rights of way, by preserving the rural charm now attached to our town, the promotion of good civic design and arrangement, wise and efficient expenditure of public funds, and the adequate provision of public utilities and other public requirements, and by other means in accordance with a comprehensive plan, now therefore the following ordinance is hereby enacted by the voters of the Town of Hollis, New Hampshire in official annual meeting convened.

SECTION 1.

For the purpose of this ordinance the Town of Hollis is divided into districts as defined below, and as shown on the Zoning Map filed with the Town Clerk.

District 1. Residential

The area enclosed by the following boundaries: Starting at Bartram Place so-called on Silver Lake Road thence in an easterly direction to the north side of the East Cemetery, thence southeasterly to the junction of Pine Hill Road and Broad Street, thence southerly to junction of Van Dyke and Richardson Road, thence southwesterly to the Eastman Place on the Pepperell Road, thence westerly to the junction of Coburn Lane and North Pepperell Road, thence northwesterly to the Bert Brown Place on the Ridge Road, thence to the north of Love Lane, thence northwesterly to Beaver Brook on Proctor Hill Road, thence northeasterly to the junction of Deacon Lane and Rocky Pond Road, thence easterly to the point of beginning on the Silver Lake Road.

District 2. Recreational

A quarter of a mile from the shore of Silver Lake, Flint Pond, Pennichuck Pond, Dunklee Pond, Nashua River and Nissitissit River, also all the area bounded by the Brookline-Hollis Town Line, Rocky Pond Road, Hayden Road, Federal Hill Road and Milford Town Line.

District 3. Agricultural

All of Hollis not included in other districts.

SECTION 2.

Definitions For the purpose of this ordinance, certain terms are defined as provided in this section.

A. "Home produce and products" means and includes everything of an agricultural nature grown, produced, conditioned or otherwise carried on the property of the resident, also such articles as are manufactured or altered by members of the household of the bona fide resident of any property.

B. "Right of way" means and includes all town, state and federal highways and the land on either side of same as covered by statutes to determine the width of rights of way.

C. "Permanent residents." A family shall be considered permanent residents when they have used any building continuously as a residence for a period of six months or more.

D. "Tourists homes" shall mean and include dwellings where transient accomodations are provided for a price.

E. "Hotels" shall mean and include any building which contains more than twelve rooms and advertises to accomodate people with food and sleeping quarters for a price.

F. "Front yard": A space extending for the full width of a lot between the extreme front line of a building and the nearest side of the right-of-way.

G. "Frontage" shall mean the length of the lot bordering on the public right of way.

H. "Permanent building": Any building resting on a foundation or otherwise legally defined as "real estate."

I. Logging Camps shall be camps built of material and in such a manner that they are only for temporary use during the cutting and handling of logs, cordwood or other such material.

J. "Camps" shall be considered buildings of such a nature that they may be used for recreational purposes during seasonal parts of the year.

SECTION 3.

In *District No. 1* the *Residential Area* shall enjoy the following provisions:

1. It shall be a district mainly of farms and residences.

2. No building shall house more than two families as "permanent residents."

3. There shall be between the nearest side of any main highway and the extreme front of any building a yard having a minimum depth of twenty five feet provided that no such front yard

need be deeper than the average of the depths of such yards on the lots next thereto on either side. A vacant lot or a lot occupied by a building with a yard more than twenty-five feet deep being considered as having a front yard twenty-five feet deep.

4. Home produce and products may be bought and sold and exposed for sale in this district.

5. Hotels and tourist homes may be maintained and operated in this district.

6. Private schools and sanitariums are permitted in this district.

7. Property owners of enterprises shall be allowed two advertising signs for products sold on the premises, such signs not to total over fifteen square feet in area. Also a sign reasonable in size giving the name of the property. Also one or more signs pertaining to the lease, sale or use of a lot or building on which placed, which shall not exceed a total area of five square feet.

8. Building Area. No building or set of buildings shall occupy more than thirty percent of its lot and each lot shall have a frontage of at least seventy-five feet. Each family unit must contain 400 square feet of ground area.

9. If reasonable complaint is made no owner or occupant of any land in said District shall permit any building or other structure or fire ruins to be left unfinished or incompleted thereon but shall finish or complete or remove the same.

10. New business may be allowed by the Board of Adjustment upon petition and after a hearing indicates that it is desirable for the public.

SECTION 4.

In *District No. 2,* the *Recreational District* shall enjoy the following provisions:

1. This area shall enjoy all the privileges of District 1 and in addition camps and logging camps will be permitted.

2. Logging camps may be of a temporary nature for use only during the active working of a lot and shall be removed when such work is finished.

3. Recreational camps shall be finished in permanent manner conforming to Section 8 Paragraph 5 of this Ordinance.

4. Property owners of enterprises shall be allowed two advertising signs for produce sold on the premises; such signs shall not total over fiftten square feet in area.

SECTION 5.

In *District Number 3,* the *Agricultural District* shall enjoy the following provisions:

1. This area shall enjoy all the privileges of Districts 1 and 2.

2. Permanent residences must conform with Section 8, Paragraph 5 of this Ordinance.

SECTION 6.

Non-conforming buildings, use of buildings and use of land.

1. All non-conforming properties in active use when this Ordinance is passed and adopted may continue indefinitely in their present use.

2. Any and all non-conforming property which is partially or wholly destroyed by reason of obsolescence, fire, explosion or other act of God, may be restored and operated if same is done within two years.

3. Any and all non-conforming property may be altered and expanded as the business conditions warrant providing such alterations and expansions do not change the nature of the non-conforming business and do not prove offensive to the public because of noise, noxious odor or any other similar reason.

SECTION 7.

New Development.

1. The owner of any plot of ground intended for development or subdivision into building lots not fronting upon a public highway shall file with the Board of Selectmen a plan or map of the proposed subdivision and shall obtain the approval of the Board of Selectmen thereon before proceeding with the development or sale of lots in the said subdivision.

2. It shall be the duty of the Board of Selectmen to inspect the site of such proposed subdivision and to require such roadway and other areas for common use as will eventually be acceptable to the town for maintenance by the town and to approve the same when satisfied that such proposed plans are in harmony with and conducive to the general welfare of the Town and the neighborhood and not dertimental to existing property values, but in no sense shall this be deemed an acceptance by the Town of the street or streets.

SECTION 8.

Enforcement.

1. It shall be the duty of the Board of Selectmen, and the Board is hereby given power and authority to enforce the provisions of this Ordinance.

2. There shall be an Inspector of Buildings, such office to be held by the 2nd Selectmen, ex officio. Such Inspector of Buildings shall serve as such without compensation, and no fees of any kind shall be imposed in connection with any permits or certificates required under the terms of this ordinance.

3. The Building Inspector shall issue any and all building permits requested when such permit is in accordance with the provisions of this ordinance or legally authorized by the Board of Adjustment and then only.

4. Permits. After passage of this Ordinance it shall be unlawful to erect any permanent building or alter the bulk of any building or permanently relocate any building in any district, without first obtaining a building permit from the Building Inspector.

5. NO PERMIT. HOWEVER, SHALL BE ISSUED UNLESS THE PROPOSED STRUCTURE WILL PRESENT A REASONABLE APPEARANCE AND WILL BE IN KEEPING WITH THE NEIGHBORHOOD AND UNLESS THE BUILDING IS TO BE FINISHED ON THE EXTERIOR IN A PERMANENT MANNER AND IS TO BE SUITABLY PAINTED ON THE OUTSIDE WHENEVER THE SAME IS OF WOOD OR A MATERIAL CUSTOMARILY PAINTED, EXCEPT THAT IN DISTRICTS 2 AND 3 THIS SHALL APPLY ONLY TO PERMANENT RESIDENCES. THIS IS INTENDED TO ELIMINATE THE ERECTION OF STRUCTURES OBVIOUSLY OUT OF PLACE FOR THE NEIGHBORHOOD WHERE THEY ARE TO BE LOCATED AND WHICH MAY HAVE A DETRIMENTAL EFFECT ON THE PROPERTY VALUES AND NEIGHBORHOOD CHARACTER. WHEN AN OBJECTION ON ACCOUNT OF THE APPEARANCE OF A PROPOSED STRUCTURE, AS ABOVE DICTATED, IS RAISED BY A MAJORITY OF THE FAMILIES RESIDING OR OWNING PROPERTY WITHIN A RADIUS OF 500 FEET OF THE PROPERTY IN QUESTION, THE BOARD OF ADJUSTMENT SHALL HOLD A PUBLIC HEARING TO RECEIVE THE EVIDENCE ON BOTH SIDES AND SHALL HAVE THE AUTHORITY TO DECIDE WHETHER THE PERMIT SHALL BE ISSUED OR NOT.

6. No land in any district shall be used for a dump, or a place for refuse, waste or junk of any kind, nor for abandoned automobiles, carriages or other vehicles; machinery or other tools or appliances, or for any mill, shop, factory or other manufacturing industry, nor used in a manner that is disorderly, unsightly, noxious, offensive or detrimental to the public, or to the owners or occupants of adjacent property, or prejudicial to the general welfare of the community, without the approval, in writing, of the Board of Adjustment upon such conditions as they may determine.

7. Upon any well founded information that this Ordinance is being violated, the Selectmen shall, on their own initiative, take immediate steps to enforce the provisions of this Ordinance by seeking an injunction in the Superior Court or by any other legal action.

SECTION 9.

Board of Adjustment.

1. Within thirty days after the adoption of this Ordinance and thereafter as terms expire or vacancies occur, the Moderator with the advice and consent of the Board of Selectmen, shall make appointments to a Board of Adjustment of five members conforming in duties to the provisions of Chapter 42 of the Public Laws. In addition to the general powers granted said Board by said Chapter 42 it may, in harmony with and subject to its provisions:

a. Permit the erection of additional buildings or the enlargement or alterations of existing buildings on the same or an adjacent parcel of land, each in the same single or joint ownership or record at the time it is placed in a district for an existing trade, business, industry or any other use prohibited in such district.

b. Permit a non-conforming temporary building for use incidental to the development of a neighborhood for an initial period of not more than two years and in the case of a building only upon application accompanied by a bond and bill of sale to the town, effective in case the building is not removed prior to the expiration of the permit. Permits may be renewed by the Board of Adjustment for successive periods of not more than one year each.

SECTION 10.

Amendments.

1. This Ordinance may be amended by a majority vote of any legal town meeting when such amendment is published in the warrant calling for the meeting and when such amendment has received a public hearing which hearing has been advertised and given a legal fifteen day notice.

SECTION 11.

Penalty. L

1. Every person, persons, firm or corporation violating any of the provisions of this Ordinance shall be fined not more than ten dollars upon conviction for each day such violation may exist.

SECTION 12.

Saving Clause.

1. The invalidity of any provision of this Ordinance shall not affect the validity of any other provision.

SECTION 13.

When Effective.

1. This Ordinance shall take effect upon its passage.

Adopted at Adjourned Town Meeting, May 13th, 1941.

There is much confusion in filling out Birth Certificates at hospitals because the mail of Hollis residents goes to seven different Post Offices. Many times mail address is written in as place of residence, hence the birth certificate would not be returned to Hollis. We have requested certificates of Hollis children but perhaps we have missed a few. Since it is important to have them on file at the place of the parent's residence we would appreciate being informed of any not on file here.
